

Welcome to
Kindergarten!

Kindergarten Workshop:

The Kindergarten Workshop will include the following Academic components, focusing on Language Arts and Mathematics. Other subjects will be implemented by your child's Classroom Lead Teacher(s).

Language Arts:

- Upper and lowercase letter recognitions, matching, and phonemic sounds
- Simple blends and digraphs
- Long and short vowels and identifying their sounds in words
- C-V-C (consonant-vowel-consonant) words
- Sight words (me, my, he, she, the, at, etc) and sentence formation
- Simple reading, starting with sight words and slowly moving to books

- Writing sight words and sentences
- Spelling test on Sight Words (bi-weekly, every Friday)

Mathematics:

- Counting and matching numbers
- Number chart 1-100, sequencing numbers in and out of order.
- Simple addition and subtraction
- 2D versus 3D shapes
- Greater than & less than number comparisons

**Please note that progress will depend on the child's review habits, consistency in attendance, and homework completion.*
